

Mrs. Poole's Summer Reading List for K-4

To ensure our scholars are able to continue learning throughout the summer. I have compiled a summer reading list to be completed by the beginning of the 2020-2021 school term. Each scholar is asked to read at least 6 of the books that are listed below. With 2 of these books each scholar is required to write what they've learned in two of the stories of their choosing and draw an illustration to go with their writing showing what happened in the story. These reports are due on the first day of school and will be displayed in the hallways. Please make them as neat as possible. Required Reads are *; The books are listed below:
